FINE ESTATE WINES

Tech Sheet

2017 Evergreen Lek Dry Riesling

Varietal Composition: 100% Riesling

Vineyard: 100% Evergreen Lek

Final Analysis

Alcohol: 12.2%

Residual Sugar: 2.6 g/L

Final pH: 3.07

Final TA: 7.6 g/L

Date Bottled: June 12, 2018

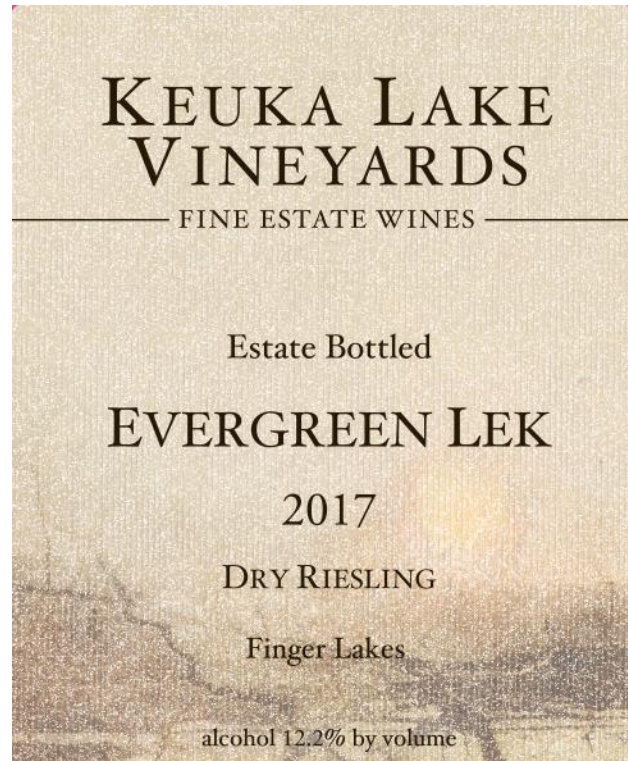

Total Production: 211 cases

Harvest Data

Evergreen Lek

Harvested: October 18, 2017

Brix: 21.7

Vinification

The Evergreen Lek fruit was hand harvested before destemming, crushing, and pressing into stainless steel tank. The juice was allowed to settle for 48 hours before inoculation with RHST yeast. Fermentation took four weeks at temperatures less than 64°F. Naturally cold stabilized by winter cellar temperatures. Vegan friendly.

Vineyard

Evergreen Lek is one of our oldest Riesling sites, planted in 1999 next to a patch of evergreen trees on a rich mixture of glacial deposits and shale. Each year we blind taste our vineyard Rieslings and bottle those which exhibit the most distinctive flavors. The site is made of soils mixed of slate and glacial deposits, perhaps bringing the characteristic minerality to this vineyard's wines.
