Machine harvested

Put into 1-ton macro bins

15-day fermentation,

inoculated with IVC D254

Pressed to neutral French oak
barrels

Aged for 9 months

Vegan friendly

Sterile filtered at bottling

Vineyard

Tabora Vineyards is located on the westside of Seneca Lake. This vineyard is planted to the Umbrella training system, allowing for vigor to be moderated by tucking shoots under catch wires. Tuller Vineyards is also on Seneca Lake and is consistently one of the best vineyards in the Finger Lakes. Overlook Farms is located in Dundee on western Seneca Lake where grower, Harry Humphrey operates several conventionally-farmed vineyards.
